Hello all,

Just a reminder the fall conference is Friday September 25 and Saturday September 26. Brochures will be out soon. Just finalizing it. Topics include: NAFLD/NASH, hepatitis c and treatments, Crohn's and colitis, New frontiers in gi endotherapy, foreign bodies and gi nursing changes over the last 30+ years. Contact me with any questions.

Also, although the dates of this review course conflict with our regional conference, some of you may have an interest in this. Brochure attached.

Lastly, looking for volunteers for board positions: president-elect, secretary, budget and finance and education. Please email me if you are interested. If I don't hear from anyone calls will start going out. If you are currently in a position and want to re-run you must let me know as well. I will not assume because you are in a roll that you want to stay in it.

Proposed changes to the bylaws will also be coming soon.

Enjoy your summer,
Kathy
